—Lani Phillips

Amazingly supportive team, great attention to details and overall a fantastic experience !! I will definitely work with them in future retreats

—Corina Barbu

Working with Maree was unlike any collaborations I have ever experienced. Maree had everything covered. Before I even realised something needed to be arranged, Maree already took care of all of it. She allowed me to fully focus on what I do best, teach and not worry about anything else.

It was a wonderful feeling to feel so supported and cared for and that I truly only needed to focus on giving the retreat and not on any of the logistics and other stuff that truly I don't want to worry about while giving a retreat. Maree has raised the bar where I can't even see it anymore. I couldn't recommend her enough.

—Neda Boin

Every detail was taken care of for me. My trip with Soul Bliss Journeys...they live up to the name. Grateful.
